EPISODE #56: Zapatista: By Robert Rodriguez and John Sayles Original air date: February 17th, 2009 Director: Robert Rodriguez Writer: Robert Rodriguez & John Sayles Cast: Edward James Olmos, Rosario Dawson, Tony Dalton, Cheech Marin, James Gandolfini, Gael Garcia Bernal Watch Zapatista, free for the first week at Get Zapatista: By Robert Rodriguez and John Sayles LIVE In a world where film technology keeps moving closer to that of video game play, John Sayles was one of the first to see the potential of playing the story from within the movie as opposed to the traditional Hollywood model where the audience was watching a script read by a cast that was blocked out on a sound stage. In Zapatista: By Robert Rodriguez and John Sayles, this technique is used to bring a story to life with technology that was only dreamt about in the past. Recorded at The Story Palace with guests 82157476af
