About This Game

Yucatan is a fast-paced, fake-mexican, space-punk driving experience. It's a 3D racing game, with metroidvania elements. You unlock abilities and use them to unlock new areas and new tracks. There's a cast of fun characters, and a cool story (bro). But most of all it has amazing handling, exceptional drifting, some serious jumps, and you can drive upside down.

Features

- Over 2 hours of heart-stopping continuous racing adventure
- 10 miles of twisting space-race-way
- One amazing car
- Three amazing powerups
- Zero distractions
- Online replays and high scores
- Fully immersive Mexican vibe

Its Simple, SHOOT **Update 1.1:**

Hello all!

Just wanted to post a quick update.

V1.1 is Live!

- Blue triangles should no longer go through walls.
- Blue enemies no longer teleport to location after 2nd pushback attack
- Powerup text background now has a black outline, making it easier to read against the background.
